

Material Safety Data Sheet

1. Product Name and Company Information

Product name: M3 Series Non-Woven Wipes

Company name: Maxclean Technology (Wuxi) Co., Ltd Address: C-13 Town, 5th Central Area, Shuofang

Industrial Park, Wuxi City, Jiangsu Province, China

Telephone number: (86) 0510-5261969

2. Material Composition

M3-A-7R3T-40-HN - 70% Rayon, 30% Polyester

M3-A-R-40-HN - 100% Rayon

3. Hazards Identification

Stability: Stable

Most important Hazard: No hazards resulting from material as supplied.

Hazardous Polymerization: Will not occur Conditions/Materials to Avoid: None Known

This product does not contain chemicals known to cause cancer or birth defects. Fibers can be regarded as physiologically inert since, no poisoning or other injurious effects have been observed.

injurious effects have been observed.

4. First Aid Measures

Inhalation: Some individuals, e.g. with asthma or bronchitis are likely to be intolerant of airborne particles. For operations where inhalation can occur, an approved respirator recommended by an industrial hygienist may be necessary. Skin Contact: Not required.

Eye Contact: No harmful effects. For operations where eye contact can occur, eye protection such as goggles is recommended.

Ingestion: Not likely due to the form of the product.

Additional Equipment: Not required.

5. Fire Fighting Measures

Suitable Distinguishing Media:

Water, CO2, dry powder or foam-fog.

Specific hazards: Not applicable Special Fire Fighting Procedure:

Avoid excessive inhalation of smoke or potential thermal decomposition products. Wear self-contained breathing apparatus.

Extinguishing media, which must not be used for safety reasons:

Not applicable.

Material Safety Data Sheet

6. Accidental Release Measures:

Aquatic Toxicity: None Known

Neutralizing Chemicals: Not applicable.

7. Handling and Storage

Store in a cool and dry area. No special handling has been shown to be necessary.

Do not store or open near an open flame. Protect material from direct sunlight.

Safe Handling advice:

None under normal processing.

8. Disposal Consideration

Steps to be taken if Material is Released or Spilled: Sweep up and place in a waste disposal container.

Waste disposal must be in accordance with appropriate Federal, State and local regulations. This product, if unaltered by use, may be disposed of by treatment at a permitted facility or as advised by your local waste regulatory authority.

This information is based on our present state of knowledge. It should not therefore be constructed as guaranteeing specific properties of the product described or this suitability for a particular application.
